Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A New Book of Patience Games Begin by dealing eight cards as foundations to be built upon upward and according to suit. Deal the rest of the cards out in eight packets of twelve cards each, placing these below the row of foundation cards. First, if there are consecutive cards of the same suit in the row, build the higher on the lower. The spaces thus made are to be filled from packet No. I. Examine the packets, and if by transferring cards of the same suit to consecutive cards (of either higher or lower rank) you can set free some useful card for the top or foundation row, which we shall call the space packets, do so. In any case it is wise to keep consecutive cards together, as opportunities may come of putting out a sequence.
