

## Illinois: A History in Pictures (Paperback)

Filesize: 2.14 MB

### **Reviews**

*Here is the very best book i have study until now. It is rally fascinating throgh looking at period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Dr. Blaze Runolfsson IV)*

## ILLINOIS: A HISTORY IN PICTURES (PAPERBACK)

University of Illinois Press, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Offering a rich and expansive history that extends far beyond the familiar anecdotes about Abraham Lincoln and the Great Chicago Fire, *Illinois: A History in Pictures* gathers drawings, engravings, photographs, maps, and other illustrations to inspire imaginations young and old to envision the history of Illinois in all its depth and breadth. Gerald A. Danzer distills the story of Illinois from these visual artifacts, exploring the state's history from its earliest peoples and their encounters with European settlers, through territorial struggles and the strife of the Civil War, and into the modern era of industry and urbanization. More than one hundred images capture dramatic moments and illustrate the growth and changes in the Prairie State's history, from the settlement of its territories to the construction of homes, factories, and statehouses. Danzer pays special attention to the maps of Illinois, showing how the state's character and prosperity have been shaped by the Great Lakes and great rivers at its borders and by the roads and railroads built to connect its people. Attending closely to the details of daily life, *Illinois: A History in Pictures* also focuses on notable people throughout the state's history, including the Ottawa Chief Pontiac and the Sauk Chief Black Hawk, pioneers of social justice Jane Addams and Mother Jones, sports heroes such as Red Grange, and of course American leaders Abraham Lincoln and Ronald Reagan. Danzer connects personal and local experiences to national affairs and global perspectives, pointing to Illinois's diverse populations and culture in the new millennium.
