Barbican Publishing Limited, New Zealand, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How to create the conditions necessary for a successful marriage, and how to apply the causes which produce long lasting marriage love . Read about the importance of courtship as you begin to court YOUR way to permanent marital happiness and success. I have put into this book the result of many years of patient study, practice and experiment. There is nothing in it that has not been proved to be true. The object has been to put the most profound and mighty truths in such plain and simple language that men and women of the common people - God bless them - may understand it all, and find help, comfort and happiness. The knowledge that is given here has been of inestimable value to me, and if you study it well it will help you. Hoping you will do so, I am, Yours Fraternally, Wallace D. Wattles.
