aPress, United States, 2018. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book. Transform your entire organization, not just a part of it. Take a modern look now that the world is focusing on business agility rather than thinking about team-level or even scaled Agile. Many people and businesses believe that doing Agile will solve all their business and organizational problems. The truth is that doing Agile , especially team-level agility, is not the same as being an agile organization. Authors Doug Dockery and Laureen Knudsen share their years of experience in transforming corporations and organizations to successfully compete and win in today s fast-paced markets. Using proven techniques and stories of actual experiences in a multitude of organizations, Doug and Laureen relate what it takes to successfully transform your organization, as well as how to tell if your transformation is working. Modern Business Management details what you need to know to transform your business to deliver value and thrive. Coverage includes: What Agile means to an executive and the benefits you should be seeingThe top failure modes and why so many transformations failA framework for success, including an operational framework and a transformation frameworkHow big data internal to a company is needed to successfully run a world-wide corporation todayThe definition of a modern business and what it looks like What You ll learn Understand why businesses are not getting the benefits out of their current Agile transformationFollow the process that organizations need to go through to succeedSee how C-level executives can benefit from Agile practicesKnow how to succeed where others are failingDiscover how to keep up with a constantly disrupted and ever-changing market Who This Book Is For Management and executives in corporations from the director level to the C-level.
