Chairs: Lark Studio Series

By Hemachandra, Ray, Editor.

Lark Crafts. 1 Cloth(s), 2010. hard. Book Condition: New. Susan Borger's Caterpillar Concentrics with Fringe re-covers a derelict straight chair with wildly colored and textured fabrics, while Joel Green's anthropomorphic Living Lounge rests on sensuously curved arms and legs, and Clay Dillard's wonderfully clever Tulip Folding Chair closes up to resemble a glossy cartoon flower. These are just a few of the unique and brilliantly crafted designs here, stretching the limits of what can be considered a place to sit. This lovely miniature art book is ideal for your tiniest coffee table or overcrowded art shelf, yet the page-filling color photos catalogue nearly 100 outstanding works from some of today's leading designers and craftsmen. 203.

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
