

Occult Science: An Outline (Paperback)

By Rudolf Steiner

Rudolf Steiner Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. An authorised translation of this classic work, re-edited, beautifully typeset and designed, from a professional publisher dedicated to high-quality editions of Rudolf Steiner's books and lectures. The anthroposophy of Rudolf Steiner is not a theoretical system, but the results of research based on direct observation. As Steiner's research was so vast and conducted over such a long period of time, no single book can be said to contain the whole of his spiritual teaching. However, of all his books Occult Science comes closest. Steiner even referred to it as an epitome of anthroposophical spiritual science. The book sets out, in systematic order, the fundamental facts concerning the nature and constitution of the human being and, in chronological order, the history of the universe and man. Whereas the findings of natural science are derived from observations made through the senses, the findings of spiritual science, or anthroposophy, are occult inasmuch as they derive from direct observation of realities which are hidden to everyday perception. And yet these elements of humanity and the universe form the foundation of the sense world. A substantial part...
