William Morrow Company, United States, 2014. Paperback. Book Condition: New. 168 x 107 mm. Language: English . Brand New Book. Geordie Holt has been to college, traveled the world, and hung with the rich and famous. What she hasn't done is find a direction for her life. And her father has given her an ultimatum: settle down and get a job, or he'll get one for her. She loves photography and she loves Newport, so a job as a photographer on a renovation project seems like the perfect choice. Restoration architect Bruce Stafford has discovered a forgotten mansion, fallen into ruin as an abandoned boardinghouse. Gilbert House is just the kind of challenge he enjoys, and he's managed to assemble some of the best young craftspeople in the business. Except for one. The historical society has sent an airheaded intern to serve as project photographer. And when he learns Geordie is not an intern but a paid member of the team, taken on as a favor to one of their supporters, he's livid. Humiliated, Geordie's first impulse is to run, but she's come to love Gilbert House and its history. This is where she wants to be. It's time to face her fears and insecurities and stand up to Bruce and her father. It's time to stop running. Geordie Holt has come home for good.
