Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. My justification for publishing my thoughts on Home Rule is that the movement in favour of the Parliamentary independence of Ireland constitutes, whether its advocates recognise the fact or not, a demand for fundamental alterations in the whole Constitution of the United Kingdom; and while I may without presumption consider myself moderately acquainted with the principles of Constitutional law, I entertain the firmest conviction that any scheme for Home Rule in Ireland involves dangerous if not fatal innovations on the Constitution of Great Britain. Notice: This Book is published by Historical Books Limited ( as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via.
